Build, and Send disciples at  
your parish.

# L'ALTO CATHOLIC INSTITUTE

We are an apostolate that exists to help renew parishes.

We collaborate with pastors from around the country to provide their parishes with consulting services, leadership formation, parish-wide renewal events, and formation series for parishioners.

We invest deeply in the parishes we work with, and prioritize helping pastors create a culture in which disciples of Christ are formed.

**"I sense that the moment has come to commit all of the Church's energies to a new evangelization."**

We will deepen our understanding of how the message of Christ is necessary as the force behind all our parish efforts. Strategic sessions will chart the course for how to begin creating a community full of missionary disciples, with measurable goals and timelines.

## ON-SITES

Throughout the partnership, you can anticipate 3 onsite events with you coach. The parish assessment, key sessions, and leadership summit will be included as on-sites, with the option for additional events. Your coach will maximize the time at the parish, and plan sessions and events accordingly.

## PARISH TEAMS

The coach and pastor will work together to create a leadership team to support the pastor in his strategic decisions during the partnership. A renewal team will also be formed to lead the tactical efforts of implementing a discipleship pathway. These teams will receive ongoing formation and training from the coach, and be provided with resources to support their work, be encouraged in their own faith walks, and trained to be strong leaders in the community.
